

1. Tumbado en el suelo, coloca la balda inferior y la pata lateral con los tornillos facilitados. Las baldas se atornillan desde abajo hacia arriba.

Coloca una manta para evitar dañar las piezas.
Mantén las piezas en perpendicular.

Coloca en la posición correcta las patas
Tacos de goma hacia abajo
anclaje en la parte superior del tubo

· Coloca la pata central

La pata central tiene en la parte superior el anclaje a la pared

· A continuación la última pata

2. Colocamos a continuación la balda superior

3. Después la central

4. Para finalizar, las otras 2

5. Levantamos la estantería

Recomendamos anclarlo en la pared para evitar caídas.

DALT Shelf

G D E C O
DISFRUTA TU HOGAR

1. Lying on the floor, place the bottom shelf and the side leg with the screws provided. The shelves are screwed from the bottom up.

Place a blanket to avoid damaging the pieces.

Keep the pieces perpendicular.

Place the legs in the correct position.

Rubber pads facing downwards

Anchor at the top of the tube

· Place the center leg

The center leg is the one that has the wall anchor at the top

· Then the last leg

2. Next, we place the top shelf

3. Then the center leg

4. Finally, the other 2 legs

5. Lift the shelf

We recommend anchoring it to the wall to prevent falls.

1. Sdraiati a terra, posiziona lo scaffale inferiore e la gamba laterale con le viti fornite. Le mensole vengono avvitate dal basso verso l'alto.

Posiziona una coperta per evitare di danneggiare i pezzi.

Mantieni i pezzi perpendicolari.

Posiziona le gambe nella posizione

Piedini di gomma rivolti verso il basso.

Ancoraggio nella parte superiore del

· Posiziona la gamba centrale.

La gamba centrale è quella che ha l'ancoraggio a muro nella parte superiore.

· Quindi l'ultima gamba.

2. Successivamente, posizioniamo la mensola superiore.

3. Then the center leg

4. Infine, le altre 2 gambe.

5. Solleva lo scaffale.

Consigliamo di ancorarlo al muro per evitare cadute.
